## PROJECT DEVELOPMENT – PROJECT FINANCING – ENGINEERING PROCUREMENT AND CONSTRUCTION – MANUFACTURING – OPERATION & LONG-TERM MAINTENANCE AND MONITORING – RESEARCH & DEVELOPMENT

### COMPANY

Total is a global integrated energy producer and provider, a leading international oil and gas company, and a leader in solar energy, notably with its affiliate SunPower. Our 100,000 employees are committed to better energy that is safer, cleaner, more efficient, more innovative and accessible to as many people as possible. As a responsible corporate citizen, we focus on ensuring that our operations in more than 130 countries worldwide consistently deliver economic, social and environmental benefits.

### SERVICES

#### SUNPOWER, TOTAL'S SOLAR AFFILIATE

Silicon Valley based SunPower is a leading global technology and energy services provider that designs, manufactures and delivers the highest efficiency, highest reliability solar panels and systems available today. Residential, business, government and utility customers rely on SunPower's experience and guaranteed performance to provide maximum return on investment throughout the life of the solar system. To date, SunPower has successfully deployed over 8 Gigawatts of power capacity worldwide.

#### ABOUT SUNPOWER
